

LIMITED 10 YEAR WARRANTY ***FOR- ALL TEXTILENE SUN SCREENS***

Twitchell Corporation produces durable, all-weather fabrics that are unmatched for quality and dependability. Our solar screen is covered by a 10 year limited* warranty from the original date of purchase against defects of workmanship and materials and/or excessive loss strength from normal exposure conditions, including sunlight, rot, mildew, or atmospheric chemicals that might render it unserviceable. This warranty is extended only to the original purchaser of the material.

This warranty protects against damage to products used under normal conditions. If the product has been subject to damage, neglect, unreasonable or improper use or care, exposure to corrosive chemicals, accidents, vandalism, acts of God, or other causes not arising from defects in original material or workmanship, this warranty is void. Proper care includes regular cleaning with a mild natural soap and lukewarm water (not to exceed 100° F.) **DO NOT USE HARSH DETERGENTS!** A soft bristled brush may be used to loosen soil on the fabric's surface. Be sure to rinse thoroughly with clean water to remove soil and soap residue. Allow fabric to air dry thoroughly. **DO NOT USE HEAT** to dry, as the fabric may shrink.

In the unlikely event that the fabric should fail during the warranty period, Twitchell will issue a credit or replace the fabric. A copy of the original purchase order must accompany all warranty claims. We are liable for the cost of the fabric only and do not accept responsibility for any other costs associated with a company's specific application.

Some states do not allow the exclusion or limitations of implied warranties or consequential damages; therefore, the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights and you may also have other rights, which vary from state-to-state.
