EXTERIOR DROP SHADES

STYLE COMPARISON

Standard Drop Shade

BASIC DROP SHADE by Awnings of Tulsa

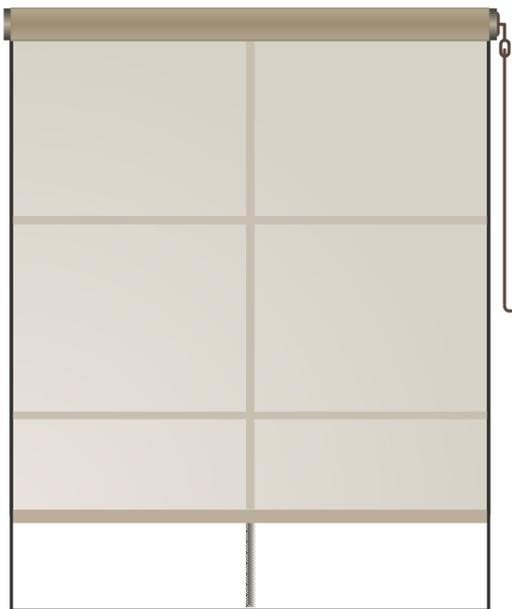

Manually operated with ropes & rings. Rope is pulled to roll up shade and pull cord ties off at side. Weight bar in bottom hem with tie-down straps with footman loops to secure fabric.

Custom sizes.
Starting around \$225.00

Other styles and options available:

- Clear window panels.
- Fixed panels for shade or privacy.
- Shower curtain style & sliding outdoor curtains.
- Roman shades & gathered outdoor curtains.
- Other / custom styles.

- All styles are available using a variety of shade fabrics with up to 95% sun protection and visibility or Sunbrella® solid acrylic fabric for more privacy. All fabrics are intended for outdoor use.
- All retractable shades should be rolled up or secured during storms or high winds to prevent damage. Warranties do not cover wind or weather damage.
